REMINDER! Barriers to case presentations...

If you've participated in our Behavioral Health ECHO program at the University of Utah, or if you treat patients with behavioral health concerns in your patient care setting, we invite you to participate in a survey! The intent of this survey is to explore barriers to the case submission and presentation process as a part of the Behavioral Health ECHO program.

ACCESS SURVEY HERE: <https://redcap01.brisc.utah.edu/ccts/redcap/surveys/?s=MFEWH4E3FC>

If you have any questions about the survey, please contact Mikyla Davis, DNP student at the University of Utah, at mikyla.davis@hsc.utah.edu. She's terrific and we are very grateful that she is exploring this for her DNP Scholarly Project!

Thank you in advance for your participation. We look forward to using this data to better meet the needs of the communities we serve.

Continuing Medical Education, Nurse Contact Hours, OH MY!

Did you know...we offer *AMA PRA Category 1 Credit(s)*[™] at **no cost** to those who participate live during ANY of our teleECHO sessions? Anyone who participates can claim this credit the day of the session. We also offer nurse contact hours to those who participate in Burn & Soft Tissue Injury ECHO, Behavioral Health ECHO, and Pediatrics teleECHO. To learn more, visit: <https://tinyurl.com/vb99xt>

Is there a Continuing Education Credit that you'd like us to consider offering for qualifying Project ECHO programs? Please email Christina Choate at christina.choate@hsc.utah.edu and we'd be happy to consider your request.

Upcoming ECHO sessions

Data Usage Notification

In order to support the growth of the ECHO movement, Project ECHO® collects participation data for each ECHO program. This data allows Project ECHO to measure, analyze, and report on the movement's reach. It is used in reports, on maps and visualizations, for research, for communications and surveys, for data quality assurance activities, and for decision-making related to new initiatives. Please contact Christina Choate at christina.choate@hsc.utah.edu with any questions or concerns.
