Surgery

The Department of Surgery consists of eight clinical and academic divisions. Each is staffed by specialty-trained and board-certified surgeons to render the highest level of care in its discipline. Operative treatment is provided on an ambulatory or inpatient basis as appropriate for the patient’s needs.

SPECIALTIES

- Cardiothoracic Surgery
- Emergency Medicine
- General Surgery
- Otolaryngology/Head and Neck Surgery
- Pediatric General, Thoracic and Neonatal Surgery
- Plastic and Reconstructive Surgery
- Urology
- Vascular Surgery
